The Hon. Clarence A. Brimmer:

I am Faye Brown the Aunt of Nathaniel Ethan Solon.

Ned was found guilty on November 10, 2008 by the federal jury of possession and receipt of child pornography.

I truly believe that Ned is innocent of each of the counts. Ned did serve time in prison for a crime that he committed a few years ago. He was guilty and admitted guilt. This child pornography crime he did not do. I believe someone else put this horrible child pornography on his computer and has ruined his life. This will be a life sentence for after he serves the prison time he will have to register as a sex offender for the rest of his life.

I have known Ned since 1969 when I married his Uncle Ben. His Uncle Ben went to Heaven in July of 2007. I thank you for allowing Ned to come to his funeral in Ohio. It meant alot to me and our sons. Our two sons, Paul Travis Brown and Steven D. Brown grew up playing with Ned their first cousin. They always got along good and there certainly no problems with child pornography.

Travis has been a special education teacher in the public schools for 16 year here in the Phoenix area. He and his wife have 2 sons 8 yrs. and 7 yrs. old. Steven Brown has worked in the computer field for 12 year in the Phoenix area. He and his wife have a 2 year old son.

Ned is a quiet person and a good listener. He is polite and considerate. He minds his own business and is a hard worker. He has worked jobs all of his adult life. He is willing to help family and others. He is a beloved husband, father, son, brother, uncle, nephew and cousin.

I thank you for taking the time to read

my letter. I want you to know that none of us that know and love Ned believe that he committed this horrible crime.

Sincerely,
Faye J. Brown
