

Wed.

Dear Judge Brimmer,

Ned is a really ~~good~~ ~~guy~~ ~~he~~ would never lie to anyone, unless he has to. But, he is innocent. And today, my mom found a wish bone, and I wished for ~~my~~ my dad to get out of prison, because, all of us miss Ned. We miss ~~him~~ him taking us on his motor cycle, we miss him taking us bowling, we miss him taking us to movies. We want those things to happen, it only ~~you~~ you let him go. Please, ~~I want~~ I want to hug him, I want to kiss him, I want to see him. If you were me, it would be hard not to ~~see~~ see your mom ~~and~~ dad in prison for 12 years. I just ~~want~~ want to see him again.
