### MOTION FOR CLARIFICATION OF COURT’S ORDERS REGARDING EXPERT

COMES NOW the Defendant through undersigned counsel and moves the Court to clarify the Court’s position with regard to compensation of the defense expert Tammy Loehrs.

Defendant respectfully requests clarification as to amounts that the Court would continue to authorize in order to evaluate whether the Defendant can bring Ms. Loehrs to testify at trial, should the Court grant his request to withdraw his previously entered plea. As stated in open court, bringing Ms. Loehrs to testify at trial is absolutely necessary for the defense. Defense counsel believes he has provided the Court with information the Court has requested about Ms. Loehrs’ fees, qualifications, and anticipated further fees and costs.
